

2016 Mosquito Control and Surveillance Program

Attention Neighborhood Leaders:

*The Winnebago County Health Department is looking for a few good **Mosquito Captains**. We want your input and participation.*

*Being a **Mosquito Captain** will entail:*

- *Training in mosquito surveillance and control*
- *Identifying potential mosquito breeding areas in your neighborhood*
- *Distributing educational flyers and literature*

*If interested, please contact Ryan Kerch at (815)720-4347, or by email at rkerch@wchd.org with the name and contact information of the person who would like to be your organization's **Mosquito Captain**.*

The WCHD will be getting in touch with these individuals to set up training sessions and distribute educational materials.
