

Winnebago County Resident

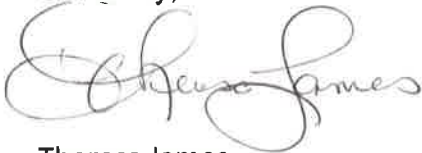

May 1, 2015

Dear Sir/Madam,

The Winnebago County Health Department is responsible for ensuring that all community residents including those with functional needs are prepared in the event of an emergency. The FNSS (Functional Needs Support Service) Committee in Winnebago County needs to collect information to assist in identifying those residents of our community that will need assistance in evacuation efforts. Your information is critical in helping us to prepare. The information that you provide is voluntary and will be kept confidential. It will only be used in an emergency to help local emergency responders assist you.

Please complete the attached form to assist the Winnebago County Health Department in our planning efforts. If you have any questions, would like to provide this information over the telephone, or need assistance please contact me at 815.720.4217 or email [incidentcommander@wchd.org](mailto:incidentcommander@wchd.org).

Sincerely,

Theresa James  
Emergency Response Coordinator  
Winnebago County Health Department
